

# STUDY PROGRAMME CATALOGUE 2022

RIGA TECHNICAL  
UNIVERSITY

# BACHELOR STUDIES IN ENGLISH

Faculty	Study programme	Study duration – tuition EUR/year	Intake*
<b>Civil Engineering</b>	Civil Engineering	3 years / 4000	A
<b>Computer Science and Information Technology</b>	Computer Systems	3 years / 2550	A/S
<b>Electronics and Telecommunications</b>	Telecommunications	3 years / 2750	A/S
	Smart Electronic Systems	4 years / 2750	A/S
<b>Engineering Economics and Management</b>	Entrepreneurship and Management	3 years / 1750	A/S
	Economics	3 years / 1750	A/S
	Management of International Economic Relations	4 years / 2150	A
<b>Materials Science and Applied Chemistry</b>	Chemistry and Chemical Technology	4 years / 2800	A
	Clothing and Textile Technology	4 years / 3100	A
	Materials Engineering	3 years / 2800	A
<b>Electrical and Environmental Engineering</b>	Electrical Engineering (Adaptronics)	4,5 years / 2750	A
	Environmental Engineering	3 years / 3050	A
<b>Mechanical Engineering, Transport and Aeronautics</b>	Engineering Technology, Mechanics and Mechanical Engineering	3 years / 2800	A/S
	Aviation Transport	4 years / 2800	A
	Medical Engineering and Physics	4,5 years / 4000	A
	Railway Engineering	4 years / 2800	A
<b>E-Learning Technologies and Humanities</b>	Technical Translation	4 years / 1680	A/S

\* A – Autumn intake / S – Spring intake

# MASTER STUDIES IN ENGLISH

Faculty	Study programme	Study duration – tuition EUR/year	Intake*
<b>Civil Engineering</b>	Civil Engineering	1 year / 4190	A
	Innovative Road and Bridge Engineering	1,5 years / 4000	A
<b>Computer Science and Information Technology</b>	Computer Systems	2 years / 3800	A/S
	Cybersecurity Engineering	2 years / 3500	A
	Business Informatics	2 years / 2500	A/S
	Logistics and Supply Chain Management	2 years / 3500	A
<b>Electronics and Telecommunications</b>	Telecommunications	2 years / 3950	A/S
	Smart Electronic Systems	2,5 years / 3950	A/S
<b>Engineering Economics and Management</b>	Entrepreneurship and Management	2 years / 2940	A/S
	Economics	2 years / 2150	A/S
	Business Finance	2 years / 2150	A/S
	Civil Construction and Real Estate Management	1,5/2,5 years / 2670	A/S
	Industrial Engineering and Management	2 years / 3900	A
	Innovations and Entrepreneurship	2 years / 3800	A
	Management of International Economic Relations	1,5/2,5 years / 3400	A
<b>Materials Science and Applied Chemistry</b>	Chemistry and Chemical Technology	2 years / 4650	A
	Design Engineering	2 years / 4450	A
	Material Science and Nanotechnologies	2 years / 4200	A
<b>Electrical and Environmental Engineering</b>	Computerized Control of Electrical Technologies	2 years / 3950	A/S
	Electrical Engineering (Adaptronics)	1,5/2 years / 3950	A/S
	Environmental Engineering	2 years / 4450	A
<b>Mechanical Engineering, Transport and Aeronautics</b>	Engineering Technology, Mechanics and Mechanical Engineering	2 years / 4200	A/S
	Aviation Transport	2/3 years / 4200	A
	Medical Engineering and Physics	1 year / 4200	A
	Production Engineering	2 years / 4200	A
	Railway Engineering	1/2 years / 4200	A
<b>E-Learning Technologies and Humanities</b>	Technical Translation	1,5/2 years / 3130	A/S
	Digital Humanities	2 years / 3100	A
	E-Learning Technologies	1 year / 3800	A

\* A – Autumn intake / S – Spring intake

# PHD STUDIES IN ENGLISH

Faculty	Study programme	Full Time Studies tuition fee year/EUR	Part-time Studies tuition fee year/EUR
Civil Engineering	Civil Engineering	4 years / 8550	–
Computer Science and Information Technology	Computer Science and Information Technology	4 years / 7700	–
Electronics and Telecommunications	Telecommunications	4 years / 8550	–
	Electronics	4 years / 8550	–
Materials Science and Applied Chemistry	Chemical Engineering	4 years / 8350	–
	Chemistry	4 years / 9300	–
Electrical and Environmental Engineering	Power and Electrical Engineering	4 years / 8550	5 years / 3500
	Environmental Engineering	4 years / 9350	–
Mechanical Engineering, Transport and Aeronautics	Mechanical Engineering and Mechanics	4 years / 8550	–
	Transport	4 years / 8550	–
